

Lincoln Dalton

Class of 2026

Pleasant Valley High School

To Whom It May Concern:

I am currently working with Lincoln Dalton in the off season as his personal pitching and hitting instructor over the last two years. Lincoln has worked extremely hard and that showed with the success he had on the baseball field as a freshman during the 2023 Pleasant Valley high school varsity season. Lincoln is very coachable, and his athleticism will translate very well at the next level in college. Being a multi-sport athlete has really helped Lincoln grow as a baseball player and that growth will continue over the next three years of high school as he matures. He is very projectable both on the mound and as a college hitter.

With 30 plus years in baseball, as a High School Baseball coach and former College Head Baseball Coach at St. Ambrose University and the University of St. Francis, I highly recommend that Lincoln Dalton has the tangibles, work ethic and talent to succeed both in the classroom and on the baseball field at the college level. If you would like to discuss my recommendation further, please feel free to contact me by phone or email.
